The election in Massachusetts was the first in a series of primary elections in the New England states. The election in Massachusetts was the first in a series of primary elections in the New England states.

PLEA DENIED
BY U. S. COURTSupreme Tribunal Rules To-day on
Gangster's Appeal for Review

CONVICTED OF TAX FRAUD

Action Will Probably Send
Hoodlum to Penitentiary
ImmediatelyBy The Associated Press
WASHINGTON, May 2.—Al Capone today was denied a review by the supreme court of his conviction for evading income taxes.

The ruling means that Al Capone, one of the most notorious gangsters in the country, has lost his last legal chance of escaping his 11-year sentence.

Capone is now in jail in Chicago. Capone is now in jail in Chicago. Capone is now in jail in Chicago. Capone is now in jail in Chicago.

As is customary, the court did not give its reasons for refusing to open the case. It previously had refused to interfere with sentences imposed on Al Capone, Al's brother and other members of the Capone gang convicted for failure to pay income taxes.

In addition to his 11-year sentence, he was fined \$30,000. The penalties were confirmed by the Seventh circuit court of appeals on May 27, 1932 and on March 22, 1933 he was denied a rehearing.

In his plea for a review, Capone argued that the indictment against him was defective because it was worded in general terms which did not give him sufficient information to prepare his defense.

His lawyers also raised a number of other technical points. The government in reply argued that the indictment was good and that the conviction should stand.

would apply to all telephone and telegraph leased wires.

Rate on Tickets.
The general 10 per cent admission tax in the house bill was approved and the exemption dropped down to include all tickets of 45 cents or over.

The house had the exemption at 45 cents and it was contended in the committee that movie theaters would be able to avoid the levy by dropping the rate to 45 cents. So, the exemption was dropped a penny.

The committee did vote to exempt admissions to all collegiate and scholastic events. An attempt by Senator Reed, Republican of Pennsylvania, to exempt baseball admissions was defeated.

Another boost in the tax on brewers' wort from 10 cents a gallon to 15 cents was ordered. The house fixed a rate of five cents. The levy on malt syrup was cut from four cents to three cents a pound. Congress is up against the demand that all its efforts to balance next year's budget may fall short unless the already high tax bill is raised much higher.

Recess on Economy Bill.
The economy bill, if not already completely worked, is likely to be cut so low before the house is done, that it will fall utterly to bridge with savings the quarter billion gap between expenditures and the revenue which the tax bill has been expected to bring in.

There was a lull on the economy bill today in the house. Because of a rule that all other matters must give way Mondays to secondary legislation on the calendar, the struggle between insurgents of both parties and the leaders sponsoring the bill remained suspended until tomorrow.

Hemorrhoids

How to End Painful Piles Without Surgery or Cutting

Hemorrhoids, bleeding, protruding piles are caused by bad circulation of the blood in the affected parts. The parts become weak, flabby, almost dead. Only an internal remedy can remove the cause—that's why sales, suppositories and cutting fail. Dr. Leonard's prescription, HEM-ROID, succeeds because it removes congestion, restores circulation, heals and strengthens the diseased parts. HEM-ROID has such a wonderful record of quickly ending even piles of long standing, that Harvey & Cooper say one bottle of HEM-ROID Tablets must end your pile agony or money back.

18 FACE CHARGES IN GIGANTIC OIL THEFT

Texas State Employees Among Suspects; Million Barrels Allegedly Stolen.

LONGVIEW, Tex., May 2.—The alleged theft of one million barrels of oil from the gigantic prairie East Texas oil field is being investigated.

Nearly nine months ago overproduction of this new field was credited with unsettling the price structure of the entire industry, and Gov. Ross S. Sterling ordered national guardmen to enforce a controlled output.

One of 18 men against whom charges of theft have been filed is Daniel, a deputy supervisor of the state railroad commission, which supervises proration. Another is Paxton Gray, a former deputy supervisor and a brother-in-law of Fred Upchurch, assistant attorney general. Six of the 18 have not yet been arrested.

The arrests climaxed a 45-day investigation. The oil is said to have been taken by means of hyper-pumps, a pipe passed around a meter in such a way the entire flow of oil was not recorded.

The huge quantity was alleged to have been stolen from five Gladyer lowland wells in the last seven months.

Investigators said the illegal flow from one of the producers was so large pressure of offset wells was reduced 15 pounds in 10 days. Military authorities said the stolen oil had been shipped to refineries in Waco, Dallas, Engle Ford and Chalmers, La.

South America Is Probable Goal of Immigrants from Austria.

VIENNA.—The most important of all Austrian export at this time is the export of emigrants.

It began with the exodus of a great many artists, scientists and other intellectuals, who lost the basis of their existence in the impoverished country. They were followed by thousands of skilled laborers and other uprooted members of the urban population.

And now the most conservative and a solid part of Austria's inhabitants, the Tyrolean peasants, are preparing the export of their sons and brothers.

The former Austrian minister of agriculture, Herr Androsch Thaler, who at himself a Tyrolean has heard, has recently returned from South America, where he was in search of a new homeland for Tyrolean peasants, desiring to emigrate. He undertook this journey as the representative of about 10,000 peasants, his personal and political adherents, who found that they can no longer exist on Austrian soil.

Among all South American countries Paraguay seemed to him the most suitable for Tyrolean colonization. He reported that he found there an Indian, but hospitable and friendly population, and a tremendous productivity of the soil. Next to it he liked best the Brazilian provinces of Matto Grosso, Santa Catharina and Parana, and some Argentine valleys.

Political insecurity is, however, a serious drawback in these countries. "We have far too many politicians in Austria," he stated. "We shall be glad to leave politics behind us when we emigrate."

"WILD BILL" GIVES 10 WALKS, BUT ALLOWS ONLY THREE BINGLES

Jim Bottomley Bounced by Street; Wes Ferrell Wins Fifth Straight.

By The Associated Press. An altered lineup and a typical pitching performance by Wild Bill Hallahan has given the world champion St. Louis Cardinals their first victory in four games and snapped the Chicago Cubs' winning streak at seven in a row.

Gaby Street, slightly annoyed by an outfit that has succeeded in winning only five games out of 11, pitched a 10-inning, 10-walk, 3-hit game, losing to the Cardinals, 7-1, Monday.

Jim Bottomley, yesterday, pitched a 10-inning, 10-walk, 3-hit game, losing to the Cardinals, 7-1, Monday.

The Cubs' defeat automatically sent the St. Louis Cardinals into first place.

In the only other National league game of the day, the Cincinnati Reds came from behind to down Pittsburgh, 7-5, after the Pirates had gained a 5-0 lead.

The Washington Senators gained the American league lead by beating the New York Yankees, 4-2, as Lloyd Brown outpitched Charley Ruffing.

Wes Ferrell won his fifth game in a row as Cleveland pounded out an 11-1 victory over the Chicago White Sox. It was fairly close until the eighth when Cleveland scored seven runs.

The much-traveled right-hander, Irving Hadley, made his first start for the St. Louis Browns, struck out 11 men and beat the Detroit Tigers, 4-3.

Barry Wood, football, hockey, baseball and tennis star at Harvard, also plays on the school's rugby team.

Gasco After Title

For some time it has been feared by football followers here that Gasco might be below the usual standard of the season. Special interest was adopted by the city officials in an effort to do everything possible to keep the league at its usual level.

The fact a lot of players are leaving jobs may have considerable effect on the outcome of the league campaign this season but there is one team which isn't letting the slump or anything else interfere with its efforts to put a strong club in the field. That is the Ohio Fuel Gas company, otherwise known as the Gasco club.

The utility company team finished in fifth place last year in the first season of competition but this year promises to be near the top all the way. At least three players have been added to the line-up and right now the team appears likely to be very much in the title battle. The latest addition to the lineup is John Marshall, brilliant third baseman. Another added for the drive is Eddie Mautz, a right-hand flinger. Added to the array of talent which played for the Gasco last season and it isn't difficult to see why the club looks as a menace to the championship reign of the C. D. M. Electric company.

Open Next Monday

Just one week from today the first games will be played in the first season of school league. The first church league will open the day following, the Industrial circuit will launch its campaign on Thursday of the same week and the Commercial will start one day later.

How will the teams finish the campaign? Who will win the 1932 league championships and what team is slated to succeed the First Presbyterian as city champions? The winners last season were: No. 1, S. S. league, First Presbyterian; Industrial league, C. D. & M. and Commercial league, Kappa.

If there are any individuals who think they can "beat" the teams in the order they will finish, they will be glad to have from them. Mail or bring a list of the teams in the order you think they will finish the season, to this department and they'll be published before the season gets under way. Here's the teams of each league:

NO. 1 SUNDAY SCHOOL: St. Mary's, Catholic, Trinity Baptist, Epworth Bibles, Epworth No. 1, Lee Street, Lutheran and Presbyterian. NO. 2 SUNDAY SCHOOL: Epworth Seniors, Christian Seniors, St. Paul Lutheran, Christian No. 1, Forest Lawn, United Brethren, First Reformed, and Wesley M. E. INDUSTRIAL: C. D. & M. Electric, Gasco, Huber Mfg. Co., Gasco club, Marion Steam Shovel, Erie Mechanical (formerly Rockwell) and Excavator-Alloy, COMMERCIAL: Kappa, K. of C. Serv. Club, Masons, Prospect Firemen, Presbyterian A. C. Erie, Traffic club, St. Paul's Episcopal.

Forest Lawn and Epworth Hope for Better Showing

Note: This is the thirteenth of a series of stories concerning the various softball teams of the city.

BY BOB KIRKPATRICK Sports Editor, The Star. The Forest Lawn Presbyterian softball club has been trying for a long time to capture the championship of the No. 2 church circuit. As yet they have never succeeded. Last season Jim O'Connell's team started the campaign with what looked like the best team in the league. However, the club failed to elicit in the early contests and as a result dropped too far behind to overtake the leaders with a late season victory. When the season and last ledger was checked, seven wins and seven losses were marked up for the season's work.

This season the Forest Lawn club is starting out differently. It hopes the team members are just as certain they have championship possibilities but they are not going into the campaign in quite such a cocky manner. The fact the players are expecting a hard fight all the way and are practicing hard with that in mind will, the team feels, make a difference this season.

Forest Lawn will depend for the most part on the same lineup as played last year. George Pearson will do most of the catching with Ray Cudiff in the utility role. O'Connell has, for pitcher, two veterans and two rookies to depend on for his mound work. It doesn't appear likely to suffer in this department. Matt Kellogg, Bob Peden, Johnny Vestal and John Caldwell, Jr. are his mounders. Kellogg and Peden will probably do the most of the tossing and when not pitching can play in the outfield. Both are dangerous with the willow stick.

Either Ray Walters and Ed Bell will do the first basing. Johnny O'Connell is slated for second. Sam McCombs for short and Russell Carroll for third. If Walters doesn't live I'll pinch out of the first base slot as he goes to the outfield. O'Connell has plenty of outfielders to choose from.

There are several infielders who are coming along well. They are: Billy Sholes and Roy Converse.

Pilot's Hits Bring Milwaukee 4-1 Win; Birds Beat Saints

Pilot's Hits Bring Milwaukee 4-1 Win; Birds Beat Saints.

Minneapolis Rookie on Hitting Spree as Millers Troupe Toledo, 10-2.

By The Associated Press. CHICAGO, May 2.—O'Rourke, pilot of Milwaukee Brewers, has found it necessary to get into his lineup, giving the American Association the distinction of having three managers on the active player list.

Emmet McCann, Indians' manager, has played most of season at first base and the field marshal, Bib Falk, has been in the Mud Hen double duty occasions. Yesterday, O'Rourke over third base for the Brewers and his double and two singles contributed heavily to a 4-1 victory over Louisville.

The victory gave Milwaukee an even break for the season, the Cardinals having won the game of their series, 9 to 1, Sunday.

Joe Mowry, Minneapolis' national rookie outfielder, hit with a home run, double and single yesterday to help bat the Brewers to a 10 to 2 triumph over the Cardinals. Mowry was the first of the season to hit a home run and a single.

Kansas City moved back into league leadership, with Joe Mowry, son holding Indianapolis to 1 to 1 to give the Blues a 3 to 1 victory.

Columbus gave St. Paul another beating, with Ken Ash and Ed Blake giving only three hits between them. Nick Cullip contributed a homer and a double to the Red Bird attack which batted out a 7 to 3 decision.
